Announcing the Winners of Annual Mayor's Beautification Recognition Program

Redwood City, CA - September 19, 2008 - From landscaping to remodeling, garden design to historic renovation, and architectural design to neighborhood improvement, the annual Mayor's Beautification Recognition Program highlights the best projects from throughout the community of Redwood City. This year's winners were honored at a special reception and ceremony at a City Council meeting on September 8, where each honoree received a special plaque, along with the congratulations and thanks of the Mayor and the Council, in honor of their civic pride.

The annual Mayor's Beautification Recognition Program, coordinated by the City's [Pride and Beautification Committee](#), is designed to recognize the efforts of residents, non-profit agencies, and businesses to maintain or improve Redwood City neighborhoods. The program encourages attractive structural and landscaping improvements in our community. Single- or multi-family residences, apartment complexes, homeowners associations, and non-profit or commercial properties are eligible. A panel of volunteer judges screened the entries, and the final selection process included a site visit to all the entries.

As a community, the way in which we use, improve, and maintain our homes, landscaping, buildings, and gardens expresses an image of Redwood City. The Mayor's Beautification Recognition Program helps to promote and enhance this image both within Redwood City, and beyond our borders. The awards show our neighbors and visitors that Redwood City recognizes the importance and value of keeping our City beautiful.

Below is the list of 2008's winners in the Mayor's Beautification Recognition Program, and the category of their project. The City would like to thank the sponsors and supporters of the annual Mayor's Beautification Recognition Program: Allied Waste Services, Cheryl Angeles, Glenborough Pauls, Maria Martinucci, the Muhlker Family, Norcal Waste Systems of San Mateo County, Peninsula Building Material Co., Port of Redwood City, Redwood City Civic Cultural Commission, Redwood Oaks Neighborhood Association, Sequoia Health Services, SIMS Group, and Wells Fargo Bank.

Visit Redwood City's award-winning website at www.redwoodcity.org for information about the City and its services, the community, recreation programs, education, and local business. See the variety of City webcams at www.redwoodcity.org/webcam, and subscribe to Redwood City's newsletters or other City documents at www.redwoodcity.org/egov.
